

BOT Profiles 2019-2021

Dave Kimber - Chairperson

I am married to Prue and we have three children, Mac, Jenson and Jade. We have lived in the Horotiu community for 12 years and run our own business. I enjoy all sports and have coached soccer at Horotiu School for six years, during which time I have enjoyed getting to know students and families. I have been impressed by the friendly and supportive environment we have at Horotiu School and I am proud to be involved with our school.

Fraser Marcroft - Treasurer and Health and Safety

I am a chartered accountant working at RPG Limited. I am married to Lisa and have two children, Cate and Sam who are 13 and 11 respectively. My role on the Board is the Treasurer.

Sonja Inglis- Property and Learning

Kia ora Koutou, my name is Sonja Inglis, and I am married to Gordon. We have three young boys; two of them are currently at Horotiu School and our youngest at daycare.

I am a part time teacher at a suburban school in Hamilton. I have worked in primary teaching on and off for the past 15 years. During that time I also worked at Sport Waikato where I liaised with schools within Hamilton, and with teachers around Physical Activity and Healthy Eating. I have previously been on local sports committees, and Secretary of the Horotiu Playcentre. I feel that I am a 'can-do' person, who is always willing to help out in the community.

I have a passion for creating an awareness of raising student achievement and giving our tamariki opportunities during their journey of education, whether it be through academics, sports or culturally.

Dwayne King- Whanau Support and Child Welfare

My family and I have been part of and contributing to Horotiu School and the community for 15 years. I am currently employed with Oranga Tamariki and work hard to support children and whanau at risk. I have been on the Board for the past two years and been part of supporting the

school's transition to its current form. It is my journey to fulfil the hopes and voices of the school whanau and learners.

Charlotte Manning- Whanau and Learning

Teena koutou katoa. My name is Charlotte Manning and I have three children at Horotiu School: Hayden, Caleb Manning and Quinn. I am married to Josh Manning and my time is spent between being a mum to three boys and being a teacher.

Since day one of joining the Horotiu whaanau, the culture and spirit of the school was obvious. This is what made Horotiu special to us. It is a place where all of us have made beautiful friendships, and over time the school has become a home away from home. I have been privileged to be a parent representative BoT member for Horotiu School over the past 3 years and would love to continue to see our school grow with the challenges of the changing community environment and the ever-evolving technology expectations.

As you know Horotiu School is blessed with a tremendously supportive community, talented and passionate teachers, as well as strong values and history. The governance role of the Board is about seeing that these great things remain, but also ensuring the School moves with the times and continues to challenge and recalibrate what it does in a fast changing and uncertain world, ensuring our children become independent, life-long learners. It would be my absolute pleasure to be part of a team which is concerned with the wellbeing of all members of our community: students, teachers, parents and all whaanau.

Angela Parquist- Finance and School Review

My name is Angela Parquist and I was recently elected on to the Horotiu School Board of Trustees.

With Horotiu School on such an exciting journey, I would love to contribute my skills to see it continue to thrive. My skills come from both the public and private sector; designing and delivering on strategy, a passion for supporting people to deliver outcomes and an excitement about approaching things creatively to explore different possibilities. Most of all I want to be able to contribute to the planning that nurtures the journey our kids go on at Horotiu; to see our teachers supported passionately, and for the reputation of our school to be celebrated by those within the school community and those who want to be a part of it.
